Re: Deed of Trust -  
Frances J. Cargille, Charles M. Cargille to  
Rachel R. Johnson, divorced

Dear Mr. Osborne:

Although no request for notice of sale has been docketed in the Land Records of Frederick County, Maryland, I note nonetheless, that you are one of the Trustees with respect to a certain Deed of Trust dated June 10, 1979 from Frances J. Cargille and Charles M. Cargille, her husband, of which you are Trustee and which Deed of Trust secured a Rachel R. Johnson, divorced.

In updating the title to a property being foreclosed by Loyola Federal Savings and Loan Association, I note that it is the same as the property securing the Deed of Trust in question to Rachel R. Johnson. I would hope that you perhaps have some sort of an address for Mrs. Johnson and can pass this information along to her as I do not have a current address.
